Regarding the Impact of the Earthquake Off the Coast of Sanriku

We would like to express our heartfelt sympathy to all those affected by the earthquake. Regarding the impact on our Hachinohe Head Office and Manufacturing Plant (5-2 Toyama Sinden, Kawaragi, Hachinohe City, Aomori) by the earthquake with a maximum seismic intensity of 5—, which occurred off the Coast of Sanriku at approximately 4:52 PM on Monday, April 20, 2026 (including the aftershocks and the tsunamis), no casualties or damage that would have a significant impact on operations have been confirmed to date.

We will provide further announcements if any events that could have a significant impact are confirmed in the future.
